Dear Parent/Carer,

Please see below the message from TFL regarding Norwood Road, southbound closures from the 12th June to 30th July. Please check to see if your route will be affected. You are advised to allow extra journey time for the rest of the summer term to ensure that your children are in school on time.

Thank you for your co-operation in this matter,

Kind regards

Mrs L.Kelly
Deputy Headteacher

Norwood Road, southbound, from Tulse Hill station to Elmcourt Road, will be closed from the evening of Monday 12th June till 30th July. This closure is for Thames Water to complete its work to reline the water mains for our local area.

Southbound traffic from Brixton & Herne Hill will enter West Norwood via Lancaster Avenue. Southbound buses from Herne Hill (196, 322, 468, 690 & N68) will diverted along Croxted Road to Thurlow Park Road to turn into Lancaster Avenue. Buses from Brixton (2, 432, X68 & N2) will divert along Rosendale Road to Thurlow Park Road before turning into Lancaster Avenue . These bus diversions are expected to add 15 minutes to the journey time. A decision is yet to be made on whether the 68 bus should divert via Rosendale Road or end its route at Tulse Hill station. For details check:<https://tfl.gov.uk/plan-a-journey/>

Leigham Vale remains closed to traffic. A small section of Palace Road from Perran Road to Norwood Road will also be closed .

Norwood Road northbound will remain open. And pedestrians will have access at all times.'
