

**June 2019**

*Dear Parents & Friends*

*Welcome back to the final term of this academic year and I hope you all had a well deserved rest and feel ready to cope with another busy and active term. Children will not only be completing this year's curriculum but will also be preparing for transition to their new year group. As ever, attendance and punctuality remain a key priority, so please do support us and ensure your child is in school every day and on time to make the most of early morning learning opportunities. May I please remind you that doors are open from 8.45 a.m. Children should aim to be in class at 8.45 to complete early morning work. Staff are not on duty in the playground until then, so please do not send your child in before this time.*

### SPORTS DAY

*A big thank you to Mrs Mangan for organising a fantastic Sports day and to Miss Riviere-Price, Mr Harman and all staff for supporting her. It was a wonderful atmosphere and all credit to the adults who took part in the adult races. The children were enthusiastic and supportive of each other and congratulations to St Francis house for winning the trophy this year. It was a close contest, with a small number of points between each house.*

### SATS

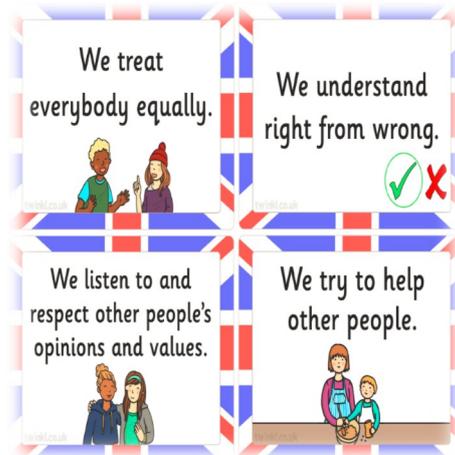

*Congratulations to Year 6 for completing SATS week in May. They worked hard and maintained their focus and concentration, showing great resilience. Results are due in on the 9th July and will be shared then. Well done to our Year 2 pupils for also displaying commitment and hard work with their KS1 SATS. They were enthusiastic and eager to complete tasks set. We should be very proud of all our pupils. Well done!*

**UNIFORM** - Please remember that children should be in their summer uniform this term. If you have any questions, do visit our website or ask at the school office. Our children are ambassadors for our school and represent us in the community. When they wear the correct uniform, it reflects positively on our school, so please do support us with this.

### PROMOTING OUR SCHOOL ETHOS

*We look forward to welcoming new parents who will be joining us in Early Years and other year groups. We take pride in celebrating our diverse school community and an ethos based on Christ's teachings. So it is important that we act as positive role models at all times, in our interaction with each other and those around us. So please support us in living out our ethos by parking with consideration to others and if there are ever any issues, speak to me directly, or a member of the Leadership team. Solutions can always be found if we communicate with respect, honesty and consideration to others. Thank you for your continued support and please do refer to our school website for details of key events this term. I look forward to a happy, sunny and successful term.*
