

Dear Parents/ Guardians,

Next week is Anti Bullying Week and the theme for 2020 is United Against Bullying.

It should be a fun and informative week for the children starting with everyone wearing odd socks on **Monday 16<sup>th</sup> November**. We have lots of activities planned for the week:

**Monday:** Wear odd socks. We will take creative photographs of the odd socks to start the week off. Children will also get a chance to decorate an odd sock template that will be used to showcase our Anti bullying display in the halls.

We will be working with the children on a variety of tasks over the week, involving discussions and some recorded work. Listed below are some of the activities we will be covering.

1. Exploring the meaning of bullying. We will be looking at the school policy and using role play to understand different types of bullying behaviour and why we do not tolerate it.
- 2 Looking at resources and material from the Anti Bullying Alliance to help children to understand what they should do if they see anyone being bullied or if they are being bullied themselves.
3. We will be writing poems around the theme of bullying.
4. Homework – Children will have a choice of a creating a piece of work promoting anti-bullying. They can either: make a poster, produce a leaflet or write a letter giving advice to someone who is being bullied

All homework must be completed neatly, clearly and to a high standard and returned to Mrs Fernandes by 23<sup>rd</sup> November 2020. Prizes will be awarded for the best piece of work in each year group.

We hope that the children have a useful and enjoyable week. During the week each child will receive a sticker and wristband that they can wear as a permanent reminder that bullying behaviour is not tolerated.

Thank you for your support.
