

Together We Can

1st November 2020

Dear Parents

I am sure you will have heard of the latest lockdown restrictions implemented by the Government, as announced yesterday.

It is a challenging time for everyone, but I know you will continue to work with us to ensure everyone's safety and the best for our children and the whole school community. I am sure you will understand the need for continuing to follow our school procedures and it is important that the social distancing is maintained, alongside all the other recommendations.

We continually review our risk assessment and adapt it as necessary. Given the current situation I would like to clarify expectations which are as follows:

- Only **one parent/carer** to accompany a child/siblings on school premises
- Everyone must follow the one-way systems at drop off and pick up times.
- Parents/carers are requested to wear masks while on school premises
- Social distancing must be observed at all times while on school premises
- Adults should not congregate in or outside school premises. Please do not remain to socialise once you have dropped off/collected your child.
- Parents/carers will not be admitted into the school building unless previously agreed
- Parents/carers attending essential meetings will be required to wear a mask. These meetings will be held in a designated area
- KS2 parents to drop off at the Woodend entrance and collect from the junior playground, observing the social distancing rule
- Year 1 and 2 parents to drop off at the Infant school entrance on Crown Dale
- Reception & Nursery parents will be able to walk in (subject to review)

I appreciate it is a worrying time, but we are a strong community and working together, following all guidelines and safety measures will help us through this challenging time. We are here to support you and please do contact us if you need any help, advice or practical support.

I look forward to welcoming you back to school tomorrow.

Yours sincerely

Mrs Fernandes
Headteacher
