A Warm Welcome to All of Our New Families, and Welcome Back to All of Our Old Friends!

It's been bittersweet seeing our children return to school after nurturing them at home for so long, we will undoubtedly miss their antics around the house. But watching their excited faces light up as they saw their friends and teachers for the first time in six months was a joy to behold. After half a year of home-schooling, handing the educational reins back over to the professionals was something I'm sure we all were grateful for.

We wanted to extend our gratitude to the teachers and school staff for all their efforts in making the school a safe place for our children to return to.

St Joseph's Pencil Cases.

The PTA has used some of the money that you and the rest of our wonderful school community has been raising to purchase each child their own individual pencil cases. The beautiful wooden boxes are engraved with the St Joseph's logo and contain colouring pencils, a sharpener, a rubber and ruler, everything our children need to complete their school work without having to share reducing any need for contact between students during the day.

Remember we'd love to see as many children as possible painting pebbles for our school positivity path. You can collect a pebble from the blue bucket on the way out from the infant school.

Join The PTA

We are always looking for more parents and careers to join us as volunteers to help raise money for our school community and make our children's time at St Joseph's as enjoyable as possible.

Joining the PTA is non committal, so you can donate as much or as little time as you can. If you can donate any of your time to the PTA and our children please get in touch on the email above. AGM dates to follow.
