Dear Parents

RE: PROVISION FOR PUPILS OF CRITICAL CARE WORKERS

In line with Government guidelines, please could you email me a letter from your employer, stating that you are a critical worker and required to go into work in your setting. Kindly email me a copy of your work ID or show it to me at when you bring your child to school, as proof that you are employed by your company or the NHS. Thank you if you have already submitted information.

We need to evidence that we have followed this procedure as we have many parents who are key workers and not able to access our provision, as we have reached our maximum numbers. We already have pupils on a waiting list. If your circumstances have changed and you are able to keep your child at home and access remote learning, then it will free up places for others.

From Monday, 11th January 2021, class teachers will only be in school for up to two days a week and will also continue to teach pupils who are learning at home. When teachers are not in school, they will be teaching remotely throughout the day. Children in school will be supported by support staff but will receive some focused sessions from the class teachers when they are not delivering remote teaching to others.

On a Friday, remote teaching will only happen in the morning from 9.00 a.m. to 12.00 and the children will be expected to complete independent task on Friday afternoon. This will allow teachers time to plan for the following week and mark work turned in. Support staff will be working with children in school. Please see the timetable at the end of this letter.

All other information shared in previous letters remains the same.
Start time is at 8.45 a.m. and pick up time 3.00 p.m.

Please do email me on head@st-josephs-jun.croydon.sch.uk with the requested information and contact me if you have any questions.

Best wishes

Yours sincerely

Leonore Fernandes
Headteacher
