Home learning books for sale at St Joseph's

Dear parents,

Due to the current lockdown, we are looking at others ways in which to support the home learning of the pupils of the school. As a result of this, we will be ordering the CGP Home learning bundles for each year group.

The table below shows what books will be available to order and the price we will be charging for the packs.

Please make your order via the google forms link below. Your payment will be on parentpay.

Once we have received your payment, we will order the books and then arrange a time for you to collect your child's pack from the office.

If you have any questions, please do not hesitate to ask your child's class teacher.

Yours Sincerely,

Mrs Winters
