We have also discounted our price, and introduced half-days to make the Camp affordable for all!

WINTER WONDERLAND UPDATE

We had a fantastic turnout for Winter Wonderland December 2020. The children were excited to write and then post their letters at Santa's mailbox which the PTA kindly said we could go and visit. Delro delights, hosted an amazing baking workshop - all the children were excited to bake their cookies and share them with their families.

A year 1 classroom was turned into a maze, and the children had to unravel the maze and collect christmas treats along the way - I will say the Camp Allstars team have to work on becoming more fit, as the mazes nearly defeated them in designing! The scavenger hunt was a mind boggler but everyone had so much fun trying to decode the clues.

Much fun was had by all over the two day camp, and the children left with a present from Santa of the chocolate variety which went down a treat!

Ready or not the
the fun has begun,
Find the next clue
where the baubles
are hung.

You're getting warmer
but I am not, The
next clue lies where
it never gets hot

Now look in
the place where
you find something
that writes with ink

My reindeer has landed
outside your shed, bend down
for the next clue, but
don't bump your head

PARENT FEEDBACK

"Camp All Stars is a professional, well organised, friendly, child led organization, Staff build wonderful relationships with children, unlike the larger schemes where children can struggle to connect due to the volume of children. My son is always enthusiastic to return to such a fun but safe environment. As a parent I am particularly reassured by the great communication they maintain with parents. I always feel updated and kept in the loop. I feel very lucky to have found such a Gem!"
