In my living room, we have a collage of all the people that we are close to and we can lean on. I have lots of people, which include: My mum, dad, sister, my nanny Rosa and nanny Joy, Grandad Mario and Grandad Clarence. I have lots of uncles and aunties, cousins but some closest to me is my Uncle Dean, Diego and Auntie Jen. My closest of friends are Jaxton and Carter and I also love my cousin Gian-Luca. I sometimes lean on him when I am nervous about leaving my mum and coming to school, he helps me by walking in with me. I know I can also lean on my teachers Mrs Langford Jackson and Ms B 😊.

### All about me

I was born on the 20th of February,  
My parents said it was a big glory.

We lived in a flat,  
With a cat.

My mum said it was a story,  
When I wanted to watch Finding dory.

I didn't talk in Nursery,  
Which made my teacher full of curiosity.

In year two,  
I had a great view.  
Someone new came into the school,  
And she was small.

I went to a museum,  
And there was a really cool item.  
In school we had a cactus,  
And it was fabulous.

I went to big ben,  
And there were lots of men.

## Outdoor learning is simply the best!

Nursery have  
their own  
rocket and  
launch pad,  
ready for a  
journey to  
Mars
