

Dear Parents & Children,

We hope you and your families are well. We look forward to seeing you all back at school on Monday. Please refer to Mrs Fernandes' email for all details relating to the start of school next Monday, 8th March 2021.

Next week we will focus on settling in the children and getting back into our routine and timetable. We will be seeing where the children are at with their learning and will plan accordingly to address gaps and ensure the children make progress over the terms. It is important that you continue to read with your child every day and talk about the text. Playing number games is a good way to help them number bonds, recognise patterns in numbers and develop strong mathematical skills.

We hope you have enjoyed the different activities you have been set and have learnt lots of new things. Please continue sending photos of any learning or activities you have been doing and you can send them to us by emailing year1@st-josephs-inf.croydon.sch.uk We have really enjoyed seeing all of your lovely work.

If you have any questions or need help with anything then please do contact us.

We hope you are continuing to stay active physically by doing Joe Wicks workouts or Jonny Jump Start. As the weather is improving, it's also a great opportunity to do some outdoor learning. Here are some ideas and links to inspire you.

Create some beautiful art with natural materials. Look at the work of Andy Goldsworthy for ideas and inspiration. https://www.slideshare.net/kimberlyn7/the-art-of-andy-goldsworthy?next_slideshow=1

We look forward to seeing you all on Monday and being together as a class. Do remember to wear your full school uniform and a school coat, as the weather is still cold.

Kind Regards

Year 1 Team
