

## St Joseph's celebrate World Portuguese Language day in style

Children attended assemblies and were challenged to answer questions about what they learnt. They were asked to write questions to interview Isabel Stilwell a well know Portuguese author and journalist

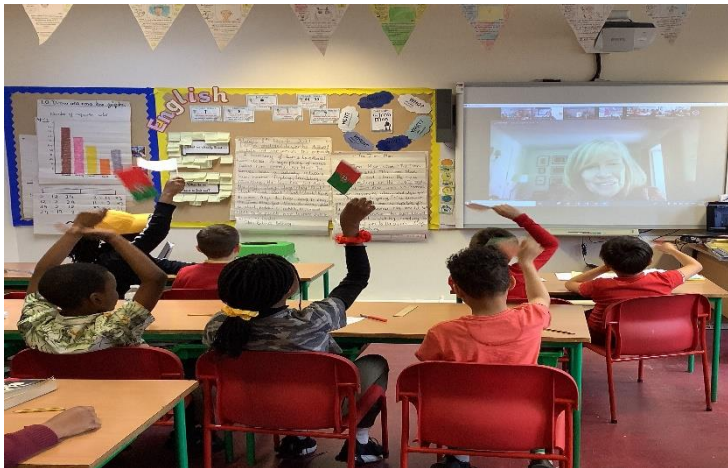

Ms Figueiredo teaches Portuguese in the infant school and plans are in place to deliver sessions in the juniors. She led an assembly in both schools together with a quiz. The winning year group was Year 4.

***'Juntos nós podemos' Todos nós podemos  
fazer a diferença  
'Together We can' We can all make a difference***

The children had great questions for Isabel. They asked about how she coped with challenges, and why she became a writer. She inspired them to believe that they can change the world through small steps and self-belief

## STAFF PROFESSIONAL DEVELOPMENT DAY FOR P.E

Staff had a great time learning new skills whilst building on their existing knowledge. The session was led by our P.E Co-ordinators, Mrs Mangan and Mr Abrahams. Many of the activities will be used during break times, providing children with the opportunity to engage in active play, while developing collaborative working and independent thinking.

**Staff engaged in an array of activities – shot putting, javelin throwing, fine and gross motor skills and teamwork requiring collaboration. All activities are suitable for our children and will build on current knowledge**
