

Renewable Electricity Contract

Declaration

Presented to:

**FEDERATION OF ST JOSEPH'S
CATHOLIC SCHOOLS**

For choosing a REGO backed contract sourced by electricity generated from renewable sources between 1/10/21.

E.ON declares that it will procure sufficient electricity that meets E.ON's interpretation of the WRI GHG Protocol Scope 2 Guidance from renewable wind sources with zero carbon emissions to match your expected electricity demand.

Electricity generated from renewable wind sources to match your expected electricity consumption is provided to this site and 2 additional sites.
