

Friday, 14th January 2022

Dear parents/guardians,

School clubs and activities - Autumn and Spring Terms

Autumn term

Unfortunately due to the pandemic and other unforeseen circumstances some club sessions were unable to be held last term. If your child attended a club last term, you will shortly receive a refund for the missed sessions via parentpay.

Spring term

Clubs will be continuing this term. As the school is currently working with COVID restrictions, some clubs will be unable to continue this term or may only be open to selected year groups due to the location of the club or number of pupils attending. We understand the disappointment this may cause however, we will continue to regularly review the situation taking into account up to date PHE recommendations. You will be informed of any changes as soon as possible.

The bookings for our lunchtime and after school clubs for Spring term will open on **Monday 17th January 2022**

Clubs will run from the week beginning **24.01.2022** for 8 weeks
The last session will be the week beginning **21.03.2022**

Please note that the clubs in red are provided by an external coach/music teacher therefore the charge for these clubs will be £40.00 for the term.

The remaining clubs, which are led by school staff, will have a nominal charge of **£8.00** for the term. This will ensure that the clubs are well resourced so the children attending receive a high-quality provision.

Bookings for school clubs are now to be made via the **St Joseph's school app**.
Further details to follow

Thank you for your continued support

Many thanks

Mrs VL Gallagher
Deputy Headteacher
