Describe your favourite cartoon character and explain what their special power is.

I enjoyed the  
 the pickles  
 the belly made  
 takes but nobody knows  
 grandpa is sitting  
 nice the sweet girl knows  
 the water and she always  
 where her...

Her name is... If she is  
 nice but she is a bad girl  
 too. She can fly and her super  
 power is that she can make  
 thunder and make when her  
 hands. She can shoot fire and  
 she can do lots of other things.
