

13th July 2022

Dear Parents & carers

I hope you have had a chance to read your child's end of year report sent home yesterday. Should you wish to discuss it with your child's class teacher, please contact them to make a mutually convenient time to meet.

The children are excited about their transition day this week and meeting their new teachers. Ms Hayter and Ms Arthur will be joining us, but it has not been possible to arrange all exchange meetings on the same day as previously communicated. Therefore, the new revised days are as follows:

Meet and greet events

Based on your feedback we have organised a time for you to meet your child's new class teacher, prior to starting in September. Reading lists and homework activities will be shared for you to use over the summer break. A curriculum meeting will then be held in September giving you the opportunity to find out about how you can support your child
