## A colourful end to another bright year at St Joseph's.

We hope you've all had as much of an enjoyable year as we've had at St. Joe's, and what a year it's been. We started the year with our lively fireworks event and finished with our vibrant Colour Run, both events were a huge success, where joy was plentiful throughout the school and local community. The PTA have given the children the gift of music this year by gifting every child a recorder for Christmas and presenting the school a new piano. This year's year 6 leaving gift was a

first aid course giving the children skills they can carry forever. This was only possible because of the money that is donated and raised by our school community at PTA events. Thank-you for your continued support.

## There's plenty more things to look forward to.

The PTA are very excited to announce that we have arranged a bouncy castle for the children to enjoy during their last week of term. We're sure you'll all be pleased to hear the the Friends of St Joseph's Firework celebration will be back with a bang in the next academic year. And with own clothes days, ice lolly and tuck shops, coin challenges and uniform sales all planned we're sure you'll agree there's lots to look forward to.

## Join The PTA

We are always looking for more parents and careers to join us as volunteers to help raise money for our school community and make our children's time at St Joseph's as enjoyable as possible.

Joining the PTA is non committal, so you can donate as

much or as little time as you can. If you can donate any of your time to the PTA and our children please get in touch on the email above. AGM dates to follow.
