## 'Together We Can'

### Autumn 1 2022 Newsletter

Dear Year 6,

We are looking forward to the children settling in well in Year 6 and hope they have a wonderfully positive attitude towards their learning. We are very excited by the coming year and are confident that we are going to have a hard working but fabulous year.

The Year 6 team is Mrs Winters in 6P and Mrs Philips in 6H. Our Teaching Assistants working alongside us are; Mrs Burgess, Mrs Lopeman, Mrs Zengin, Mrs Mangan and Ms Allery.

We will be posting notices and learning on Google Classrooms so you can work alongside us and your children, to ensure they get the best possible start to Year 6. We will also be using the App for notices, but also to showcase any exciting learning we do during the lessons.

This half term we are focussing on Our Heritage, with a focus on Nelson Mandela, Floella Benjamin and other key figures in Black History. In English, our comprehension is based on Journey to Jo'Burg and Coming to England. We will write adventure stories and biographies. In Maths we will learn Place Value and the Four Operations. History is all about Our Heritage, which links with our Art and the work of Bisa Butler. Science is about Animals and Humans, with a focus on keeping fit and the circulatory system.
