'Together We Can, With Christ By Our Side'

Summer 1 2023 Newsletter

Dear Parents / Carers

Dear Year 6,

Welcome to our busiest term! We are so proud of the pupils and their hardworking attitude that we endeavor to give them the success they deserve during SATs Week! Thank you for your continued support this year. The pupils have shown great progress and maturity towards their SATs and learning.

SATs Week is from Tuesday 9th May until Friday 12th of May. Until then, our focus is on revision and preparing them for the question papers. Boosters will continue, and our timetable will be slightly different.

After SATs week, we will go back to normal, preparing them for transition to Year 7. Alongside this, we will still be teaching Maths, English, Science, as well as History and Art. We will also be preparing for our End of Year Production - TBC - and enjoying our time away at PGL.

Please see Google Classroom for any SATs information and revision.

Once again, thank you for all the support in ensuring Year 6 have a successful year.

Mrs Winters & Mrs Philips.
